| HOCS 1500D | \$1,178 | \$619 | \$1,450 | \$860 | \$1,863 | N/A | \$322 | TBA |
| HOCS 2000D | \$1,438 | \$1,067 | \$2,016 | \$1,314 | \$2,224 | N/A | \$483 | TBA |
| HOCS 5000V | \$2,318 | \$1,314 | \$4,035 | \$2,530 | \$5,931 | N/A | \$882 | TBA |

All base priced motors are 3 Ph, 60 Hz, 230/460V TEFC Premium Efficiency unless an option motor is chosen.

Explosion proof (TEXP) motors are labeled for Class 1 Group D, Class II Groups F & G service.

Less motor option excludes motor and motor mounting hardware.

Heresite coated core has baked coat of phenol formaldehyde resin.

Galvanized framework is per ASTM A123 or B6 prior to assembly.

**Take unit weight X 2 for the weight of the unit with export boxing.

Prices subject to change without notice. Quotes are valid for 30 days.

Terms are Net 30 on approved credit and exclusive of sales or use tax, F.O.B., Lexington, TN 38351.

OCS Custom Option List Price Adders effective March 1, 2015

| Model | Custom Backend For Custom Frame Motor | Raised Face Flanged Connections | Customer Supplied Mtr Installed by YT | 1 Pass or 2 Pass only | -D Credit for no Fan |
|-----------------|--|--|--|--------------------------------|----------------------------|
| OCS-175 - 600 | \$552 | \$552 | \$278 | \$278 | OCS 175D/E \$37 |
| OCS-1000 - 3100 | \$830 | \$772 | \$330 | \$278 | OCS 300D/E \$53 |
| | | | | | OCS 450D/E \$79 |
| | | | | | OCS 600D/E \$79 |
| | | | | | OCS 1000D/E \$95 |
| | | | | | OCS 1500D/E \$173 |
| | | | | | OCS 2000D/E \$342 |
| | | | | | OCS 2500D/E \$515 |
| | | | | | OCS 3100D/E \$578 |

These adders / deducts need to be calculated manually and are not pulled in the program

All custom options must be confirmed with Young Touchstone sales for feasibility and fit.

Often a custom fan is required with custom motors. This must be quoted separately per order.

Raised Face Flanged Connections = 150 lb. Slip-On (see print 9252) / Adder is per final assembly

For Customer Supplied motor use Standard Motor Deduct and then add Installation fee above.

Custom Backend needed if non standard frame size. Verify standard frame size on part number page.

Deducts
