*Core Guard - OCS 175 -600, 2500 - 3100 (1) Required per OCS, 1000 - 2000 LH & RH Required (Price shown Per)

***For OCSE Design Bearing and Sheave or Bearing and Shaft, YT needs the final assembly p/n to verify part number and price.

OCS "D" models = Direct Drive and OCS "E" models = External Drive.

Wire Basket Fan Guard and Expanded Metal Core Guard are from the old design OCS line. Verify with sales availability.

All base priced motors are 3 Ph, 60 Hz, 230/460V TEFC Premium Efficiency unless an option motor is chosen.

Explosion proof (TEXP) motors are labeled for Class 1 Group D, Class II Groups F & G service.

Use unit list adders for premium coatings of complete core, tanks, sides.

**Core and tank assembly includes core, tanks and fill connection. Please verify for new and current design or old design OCS.

*Take unit weight X 2 for the weight of the unit with export boxing.

Prices subject to change without notice. Quotes are valid for 30 days. Parts: Service parts price/discount applicable.

Terms are Net 30 on approved credit and exclusive of sales or use tax, F.O.B., Lexington, TN 38351.
